GOKUL V S

PROFESSIONAL SUMMARY	Programmer with 6 years of programming experience in Core JAVA/J2EE and Node JS Programming languages and Technologies. Skilled at learning and applying new information, system and resource management and project development.

CAREER SKILLS

- Proficient in programming.
- Project management
- Good Analytical skills
- Learning and new skill development
- Creative UI design ability

PROGRAMMING LANGUAGES AND TECHNOLOGY

javascript, ES6, Node js

Angular Js, VueJs, Meteor, Blaze, React Js, Backbone Js, YUI, jQuery, jQuery Mobile, Sails js, HandlebarJs

HTML, CSS,SCSS

Java SE, Java EE,

Spring Boot, Hibernate, Log4j, Liferay Platform 6.2GA3

Python , Flask

Mysql, MongoDB

Apache Tomcat, JBOSS AS, WildFly, lighty, apache

CURRENT EMPLOYER

Array Networks, Bangalore ,India

CURRENT DESIGNATION

Software Engineer

PROFESSIONAL PROJECT DETAILS

COMADS

 Communication Method adopted : Accept and deliver requests XML over HTTP. CoMaDs – Content Management and Delivery Platform which is capable of processing request from the SCM (Subscription Content Management System) through XML over HTTP and send back proper response back through XML/HTTP.
